Towards The Pantheon: Escaping Eternity is a pretty okay and spooky game, but its story time now. You play as a soldier who wakes up in a mysterious house and you must escape. Now this game is very short but despite that this game give me chills which I like. Now this game is a prequel to an upcoming game, and for a prequel it was good, it gives a little bit of story to the upcoming game. Now two things that were kind of annoying is one no save I mean I know this game is short but a save would have been nice. And lastly why'll the game is free the DLC to have this game be in your library is way too high I mean \$4.99 I can see 99 cents, a dollar, even two dollars, but \$4.99 for the DLC thatu2019s way too much to have this game be in your library. So with said this game is sort but very good and I canu2019t wait to game the mine game when it comes out..
